Used as cell phone text evidence in the Brie vs Phil case

(She is suing him for defamation for calling her a liar, saying she lied under-oath, and that they never had a sexual relationship)

Brie (15): I love having sex with you.

Phil (26): I wanted you so bad because of the last few days

Phil: Did I do something wrong to hurt your hip?

Brie: No, we always have crazy sex, I just don't know what I did.

Phil has gone on record to say they never had sex at all, and then his lawyer adjusted that claim saying they started a sexual relationship when she was 18 and Phil was in his 30's.

These texts from 2010 state otherwise. Phil, you are a fucking pedo you sick nasty fuck. Get the hell out of our movement.

Phil is a PEDO. That's not defamation because its TRUE. Read his text messages to a MINOR - its literally months worth of convo between them.

This evidence is 100% genuine cell phone records of Phil. He is shown as manipulative, obsessed, a scumbag & a narcissist in them. There are multiple times they discuss the sex they had, and he has a drug like addiction to her. He even hits on her friend who is a minor and gets caught doing so.

You know why Phil hasn't sued me? Because when I call him a PEDOPHILE PIECE OF SHIT he will have to prove to the court he isn't, he threatens all day and night and hasn't done anything of action. He just talks. These text messages are VERY telling. He's a fucking pedophile and unlike some weak CHAS folk out there - I don't buckle to a lawsuit threat. Especially when Phil has threatened 30 truthers with the same lawsuit.

If he sues me, his past will come out even more in that case. This is why he hasn't done shit, and won't do a thing but bark like a chihuahua.

When Pido Phil's defamation case goes against his favor... what lie will he make up then?

The cabal has it out for him?

When Brie wins her case against him what will he say?

Nick paid off the courts?

Phil... you are being investigated for fraudulent crimes which violates your probation. Guess what's around the corner for Phil everyone... Serious jail time.

2024 will be remembered as the year we watched the pedo get what he deserved.

New Exhibit 2: Phil pleads guilty to 8 charges including sexual assault. He convinces minor to not testify. Phil then retracts guilty plea.

He's given corruption of minor charge to plea to. Megans Law passes just shortly after so he didn't have to register.

11. After Philip Godlewski was arrested, he pleaded with me and he would commit suicide if I testified against him.

12. In response to Philip Godlewski's plea and just was cooperating with the Denver Agency's office during refused to testify against Philip Godlewski at the trial.

13. Philip Godlewski and I continued our sexual relations his criminal case was over.

New Exhibit: defendants motion for summary judgement is in. Scranton times delivers its evidence and it's not looking good for Phil.

I predict in a few weeks time the judge will dismiss this case meaning Phil just wasted 2 years. We can call him pedo because that's what he is.

Does that Pedo-Phil think he's actually good in court.

- He's threatened to sue 30 truthers (for telling the truth)
- He's managed to only sue Scranton and Brie
- He exposed himself by doing so and unleashing the text messages he sent
- He lies about the text but the court stands by them as they are from Verizon
- Verizon was court ordered to give them up, they did.
- Phil was court ordered to give up his phone, he didn't.

That's enough to tell you this sick pig 🐷 is a deranged mentally ill pedo-saurus-rex. Preying on the innocent.

(Exhibit "I")

There is no dispute that Godlewski pled guilty to the corruption charge and the detectives said Godlewski had sex with the girl in cars and houses which were up for sale. (A true and correct copy Plaintiff's Response to Defendants' Interrogatories (Set III) No. 1 is included in the Exhibit List and marked as Exhibit "1", see also Exhibit "2", pp. 216 and 219.) Godlewski admits he did in fact corrupt the morals of the minor victim. (Exhibit "2", p. 108.) No liability can attach for true statements. See *American Future Systems, Inc. v. Better Business Bureau of Eastern Pennsylvania*, 592 Pa. 66, 77-78 (PA. 2007). The only issues here are whether Godlewski can prove he did not have sex with the minor victim and he did not admit to having a sexual relationship with a 15-year-old girl as part of his guilty plea. (Exhibit "1", pp. 21 and 26.)

Phil Godlewski invited Brie to the school carwash when she was 14. This would be normal behavior for a coach if he hadn't fucked her months later.

Note from anonymous: "They say a sexual offender has more than 100 victims before they are caught. I should know, I am a therapist who works with kiddos!"

Ciara O'Malley was Brienna's best friend in high school. (A true and correct copy of select pages from Ciara O'Malley's deposition transcript are included in the *Exhibit List* and marked as Exhibit "22", p. 9.) Brienna first met Godlewski at a car wash fundraiser in the summer before Brienna entered 9th grade. (Exhibit "22", pp. 10-11.) Brienna was 14 years old. (Exhibit "22", p. 14.) Godlewski admits he invited Brienna to the car wash fundraiser. (Exhibit "22", pp. 60.) Ciara saw Brienna and Godlewski together about 20 times when Brienna was in 9th and 10th grade. (Exhibit "22", pp. 21.) Ciara and her friends would secretly follow Godlewski and Brienna after he picked her up in his car. (Exhibit "22", p. 65.) Godlewski would take Brienna into houses. (Exhibit "22", p. 66.) This happened maybe 10 times. (Exhibit "22", p. 65.) Brienna's friends were coming down on Brienna in 10th grade about Godlewski. (Exhibit "22", pp. 22-23.) They were at a sleepover and they took Brienna's phone to her mother. (Exhibit "22", p. 23.)

Dear FBI,

I am writing to alert you to a matter of grave concern regarding potential criminal activities involving individuals named Phil Godlewski and Kelly Felix. Through a chat platform, I have become aware of potential illicit activities orchestrated by Phil Godlewski, possibly in collaboration with Kelly Felix of Goldco.

The information suggests that Phil Godlewski may be involved in criminal endeavors, with suspicions that his actions could be linked to Kelly Felix. Phil's rapid acquisition of properties and expensive homes worldwide, despite his previous financial struggles, raises significant questions.

He has used fraud, deceit and fear to encourage his audience to roll over their 401ks into gold without exposing the fees - to which hundred have complained about 40% or more loss when rolled over.

There are even cases of suicide that we suspect are connected because of the massive loss of savings and shock.

Given the gravity of these allegations, I urge the FBI to initiate an investigation into Phil Godlewski and any further ties he may have with Kelly Felix through their joint website GoldQuiz which was under the companies Underestimated LLC & Dedicated Services LLC as this is vital to ensure the safety and security of our community by swiftly addressing and apprehending individuals engaged in criminal activities.

I implore the FBI to take prompt and decisive action to thoroughly investigate these claims and bring those responsible to justice. Your swift intervention and diligent investigation are essential in upholding law and order within our society.

Thank you for your attention to this urgent matter.

Sincerely,

Dear FBI,

I am writing to alert you to a matter of grave concern regarding potential criminal activities involving individuals named Phil Godlewski and Kelly Felix. Through a chat platform, I have become aware of potential illicit activities orchestrated by Phil Godlewski, possibly in collaboration with Kelly Felix of Goldco.

Phil Godlewski conducts multiple fraudulent investment schemes. He gains the trust of his older followers by purporting to be a government/military insider with secret connections to Trump and various three-letter agencies. It sounds outlandish, but I assure you tens of thousands of people trust him and he has been able to scam at least fifty million dollars from them. One is through an affiliate marketing scheme with GoldCo called [GoldQuiz.com](https://www.GoldQuiz.com) with Kelly Felix. People who roll over their 401k or IRAs lose thirty to forty percent of the value of their retirement in fees and outrageously overpriced metals.

Another is 7k Metals, which also sells uneducated victims exorbitantly overpriced collectible silver in a multilevel marketing scheme. When victims complain he bans them from his Telegram and deletes their comments so his other followers are not dissuaded from investing. The worst part is he convinces them by assuring them that the US financial system is imminently going to crash and they will lose all their money if they leave it in the bank or market. I understand this sounds unreasonable, but many many people buy into it.

He also sells Trump Coins and Trump Bucks that have no value and uses AI generated voices of Trump and his sons to endorse these fraudulent schemes. Many of his followers have lost thousands on these schemes.

The icing on the cake is that Godlewski shelters the money he grifts by purchasing multimillion dollar properties in the names of various LLCs and he has not filed taxes in years. This is verified in his pending litigation in Lackawanna County against the Scranton Times.

Godlewski has a criminal history of check fraud, lying on gun applications, and corruption of a minor. The fact he is getting away with conning the life savings of hard working Americans is mind boggling. Please look into this.

He has used fraud, deceit and fear to encourage his audience to roll over their 401ks into gold without exposing the fees - to which hundred have complained about 40% or more loss when rolled over.

There are even cases of suicide that we suspect are connected because of the massive loss of savings and shock. All this is covered in [GoodLunTr](https://www.GoodLunTr.com) film "the greatest fraud on earth".

Given the gravity of these allegations, I urge the FBI to initiate an investigation into Phil Godlewski and any further ties he may have with Kelly Felix through their joint website GoldQuiz which was under the companies Underestimated LLC & Dedicated Services LLC as this is vital to ensure the safety and security of our community by swiftly addressing and apprehending individuals engaged in criminal activities.

RECLINING

Plaintiff Christine McCaslin is a hair stylist who owns a business at Los Angeles County Superior in Salon. Plaintiff alleges Defendant Philip Gashewski posted her private information and her business information on his over 100,000 Telegram social media followers and encouraged them to leave negative reviews about Salon.
